

DO YOU HAVE CHILDREN GOING TO COLLEGE?

If you do then the College Liaison committee wants to be your child's connection to TBS.

What is the College Liaison committee and what do we do?

- We are the committee that keeps your children connected to the temple
- We compile an address list of college students from the temple and send several care packages a year to them at school.
- These packages come with some sweet goodies, gift cards to a coffee house and a personal note from Rabbi Scolnic
- We bring a taste of home to your child
