

## Application for Enrollment K'tanim Nursery School at Temple Beth Sholom 2015-2016

The K'tanim program provides a warm and nurturing environment in which pre-school children are encouraged to grow socially, emotionally, and cognitively at their own pace. Through exposure to a variety of media in an environment that is colorful, inviting and easily maintained by the children, themselves; our goal is to encourage individual growth, problem solving skills and creative thinking, foster an appreciation for Jewish values, enhance self-esteem and develop happy, healthy children.
